Know Your Post Office

CARRIER SERVICE By Henry Munro

When the mailman has a Certified or Registered Letter, Parcel, C.O.D. package or any article that requires a signature or payment of a fee, and there is no one at the place of delivery to receive the article, a notice will be left stating the article may be picked up at the Post Office. Patrons are reminded to please bring the notice with them to the Post Office so clerk will know the type of article and where to look for it. The mailman will have the article with him until he returns to the Post Office on completion of his route (usually late afternoon).

AIR MAIL POSTAGE

Air Mail stamps and envelopes are to be used for Air Mail service only and not for Parcel Post or First Class mail.

SAMPLES

Periodically, advertising firms send samples through the mail: tooth paste, soap, etc.; and many people who do not receive these samples wonder why this is so. The companies who do this type of mailing do not have everyone on their list; just a certain percentage of the town. The last sample received in Wilmington numbered about 1200, which does not cover the entire town.

SNOW REMOVAL

Please make sure that approaches to mail boxes served by Mounted Carriers are clear of snow so mailman can drive up to mail box and deposit the mail. These carriers are not required to leave their vehicles to deliver the mail, so your cooperation will be greatly appreciated.

Lynnfield Predicted to Win Class D Dream Game

Lynnfield High School, a mighty team in Class D this year is expected to emerge victorious in the annual Thanksgiving clash with North Reading. Conservative estimates predict one touchdown while others have said three and four TD's. They have a good solid forward wall and some outstanding backs. Frank Berardino a small speedy back who runs on the outside, is currently third in the state scoring race. He is exceptionally quick but he stops before being hit and he can't plunge. He is backed up however, by DeBella who is the ground gainer up the middle for the Blue and Gold. He runs fast and hard and also is a tremendous defensive back. Charlie Meeher however will prove to be the key for Lynnfield as we see it because he can go inside or out, is deceptive and can really move when he has to. On the other side of scrimmage however, is that hard rock-like solid line of the North Reading Hornets. This team has allowed but one

Wilmington Selectman Defelice and Wife Honored

Selectman and Mrs. Nicholas Defelice received the greatest surprise of their lives Nov. 11th when they were honored at a party by over 200 of their friends and relatives. The occasion was their twenty-fifth wedding anniversary. Included among the guests were the celebrated couple's maid-of-honor and best man Mr. and Mrs. Leonard Orloski of Lowell Street and 'Nick's' sister and brother in law, Mr. and Mrs. John Carney of Conn. After the greeting, the guests assembled at Legion hall, the ecstatic couple received even another surprise which topped the

others; their son, Marine PFC Nicholas Jr., was on hand from Cherry Point, N.C. to join in the festivities. Others included on the guest list were members of various town boards, Fathers Croke and Mackin of St. Thomas and Monsignor Shea of Boston (former Pastor of St. Thomas). Mr. and Mrs. Defelice are still 'spellbound' and cannot say enough to thank their many friends for the fine tribute paid them. Arrangements for the gala affair were handled by daughters, Peg and Dottie who were assisted by Mina DeLisle and Dorothy Provencano.

ERNEST J. RICHARDS

Ernest J. (Red) Richards 48, a former resident of North Reading, died after a long illness on November 10 at his home in West Hollywood, Florida. He is survived by his wife, Helen (Thomas), six daughters ranging in age from 5 to 24; his father, James E. of 215 North St., No. Reading; two sisters, Catherine Beaumont and Margaret Renaud both of Florida; 3 grandchildren, and several nieces and nephews.

The houses are finally gone! The two houses moved onto Haverhill St. near the Reading line last summer were moved on Thursday, November 18th, just six days after the sixty days given them by the Court had expired. North Reading officials were only too glad to aid house-mover Shaughnessy in finally moving the controversial buildings from the town bounds. Owner of the houses, Manton Spear of Lynnfield, will be cited for contempt of court when he can be located. Mr. Spear seems to have a knack for being unavailable when things are happening.

firmative concerning the proposed project.

The main crux of the problem came to the fore when a member of the Planning Board wanted to know how the Town could be guaranteed that a shopping center would go into that location if the Townpeople decided to rezone it. Mr. Adamion said that he had been working on a

Shop. Mr. Dan Traficanti of Simmons Department Store mentioned the fact that the shopping center now located on Rte. 38 is not completely developed as yet, and therefore the idea of locating a new center in Wilmington would appear a bit premature at this time. Mr. Mike DeMoulas, owner of Wilmington Plaza, stated that through his experience it has been proven that the value of residential property within the area of a shopping center definitely goes down. Many people, both abutters to the area in question, and other members of the Town, raised many questions, but mostly objections to the proposal. There were many reasons for their objections; the main ones being:

- 1) The business now located in the Town would be hurt.
- 2) Although there is a need for competition in any business, the idea of another shopping center would appear to be a detriment to the Town. There are three shopping centers in Wilmington now, and the possibility of the First National Store building another at the junctions of 129 and 38. Therefore they felt that the town would be flooded with shopping centers.
- 3) After the property was

During the course of the past several months, our nation witnessed some deplorable outbursts of bigotry, although fortunately such manifestations of intolerance did not attain the magnitude of prior waves of religious prejudice that, at an earlier date in American history, cast a dark shadow across the bright promise of democracy and threatened our national unity, as, for example, during the period when the Klan was on the march and the character assassins were busily at work.

Of course, the intelligent public realizes that sooner or later such a wave may rise again, for, while the hate peddlers may occasionally take a rest from their dirty deeds, they never really permanently quit.

However, five years from now, we may be able to understand to a clearer degree what it is that prompts one man to attack another on account of his race, color or creed, because the University of California, through its Survey Research Center, is about to begin an unprecedented five-year study of this problem, concentrating solely on anti-Semitism.

With the cooperation of the Anti-Defamation League of B'nai B'rith—the oldest and largest Jewish service organization in the world—the University will seek to isolate and examine the factors that produce anti-Semitic attitudes and actions.

This is an admirable project of great proportions. It will cost some \$500,000. It will demand the time and attention of many talented scholars for many months.

But when it's done, we should have a good idea of what stimulates hatred and bigotry in this country. That will be well worth the cost in money and effort.

Very truly yours,
SOLOMON ROSENBAUM,
Pres.

To The Editor

LOWELL, MASS.

F. Bradford Morse, the popular choice to represent the Fifth Congressional District in the House, gave credit for his victory not only to his G.O.P. party workers, but to Democrats and Independents as well.

In a statement released at his Lowell election headquarters Morse said:

"It is a gratifying thing to win, but it is still more wonderful to win with the enthusiastic support of so many voters who ignored the party lines. It is a good omen for productive team work."

"I appreciate both the honor and the responsibilities that the voters have placed in my hands."

"In assuming my Washington duties, I shall be taking up much of the work that had to be left unfinished upon the tragic death of Edith Nourse Rogers. I shall be embarking also upon new projects that are called for by the challenges of a new age and a new political atmosphere in the nation's capitol. I shall approach all problems with a determination to do what is best for the American people and especially for the people of Massachusetts."

"We share common goals—freedom, peace and security on the national level—freedom, justice and progress on the local level. My victory is a victory for all those who support me, regardless of party affiliations in seeking to bring those goals within reach and keep them intact. I welcome the chance to serve my friends, my neighbors and my nation."

ROASTING THE TURKEY

Today's high quality birds make it easy for even the inexperienced to have excellent results: If the turkey purchased carries specific instructions for handling and cooking (on the wrapper or insert sheet), follow those recommendations. True roasting is slow cooking by dry heat on a rack in an open pan. And no water, no cover nor searing is required. Variations of this method also give satisfactory results. Whatever the method always complete roasting in one continuous cooking period.

Follow these simple steps for open-pan, low-heat roasting...

1. Have bird completely clean. Rinse with cold water. Pat dry.
2. Preheat oven to 325° F (slow).
3. Rub cavity of bird lightly with salt. Do not salt, if stuffed.
4. Fill wishbone area (neck) with stuffing, if used.

REZONING HEARING

(continued from page 1)
The rezoned developer could build anything under the by-laws of the Town classified as general business. This encompasses a wide range of businesses such as gas stations, trade school, communications building, civic recreational buildings, or even a funeral home.

Mr. Elia stated that he has been in business for 23 years and has never opposed new business coming into Wilmington, and therefore asked the same privilege of extending business at this time. The people, however, were predominantly opposed to the rezoning of the area.

A member of the planning Board said, toward the end of the hearing, that Stop & Shop had intentions of building in Wilmington previously but had reneged at the last minute. Therefore, the people of the Town were skeptical. He further stated that it was his opinion that a strong letter of intent should be issued from the Stop & Shop to the Planning Board by Monday, November 21st. Mr. Epstein said he would issue a letter of intent to Mr. Adamson but did not specifically say he would get one to the Planning Board.

It appeared to all concerned that the issue at hand was decisively beaten by the logic of the people at the hearing.

5. Fasten neck skin to back with skewer.

6. Stuff cavity lightly, if stuffing is used.

7. Push drumsticks under band of skin at tail; or tie them to tail.

8. Place turkey on rack in roasting pan. Brush skin with fat. Place in oven.

9. If desired, baste or brush occasionally with pan drippings - especially any dry areas. Baste quickly in order not to lose oven heat. When turkey is 2/3 done, cut cord or band of skin at drumsticks.

10. Continue roasting until done. Turkey is done when meat at thickest part of drumstick feels very soft when pressed with protected fingers.

This timetable is a guide to the approximate total time.

TIMETABLE - 325° F (slow) Oven
Purchased ready-to-cook weight -- for stuffed turkeys:

6-8 lb	-- 3 1/4 hrs
8-12 lb	-- 4-4 1/2 hrs
12-16 lb	-- 4 1/2-5 hrs
16-20 lb	-- 5 1/2-7 hrs

*Shorten time 1/4 - 1/2 hrs for unstuffed turkeys-the shorter time for birds up to 12 lbs and the longer time for birds over 12 lbs.

BY-LAW COMMITTEE MEETS

WILMINGTON--Members of the Building By-Law Committee met on November 14 with the Board of Selectmen to discuss the newly-proposed building by-law code.

As our building code had become drastically outmoded by the coming of new materials and designs of construction, it was deemed necessary to revise it. Raymond Fitzmaurice, Roland Wood, and Garnet Mills have been conducting a program of study and research since May of 1957 in an attempt to produce the most workable plan possible; a plan which will protect the property owner and still not penalize the builder.

Acceptance of the 85 page document will appear as article seven at the upcoming town meeting. Copies of the new code will be attached to the warrant. It has been stated that placing the lengthy article at the end of the warrant will leave a greater amount of time for debate and explanation. It could be possible, if necessary to adjourn the meeting to another night and carry out the new plan as though it were the only article at a special town meeting, with no conflicting, time consuming items appearing with it.

Some of the revisions were discussed on Monday, at which time it was stated that the new plan has been drawn up by the complete agreement of the three men involved and that members of the Board of Health also concur.

Among the many variations included in the new code will be the installation of one building commissioner and three inspectors. (this does not necessarily mean the replacement of Mr. Anderson. It has been proven that the position of Building Inspector in Wilmington has become too much for one man to handle.) The positions now held by part-time employees, those of plumbing and electrical inspectors will be made full-time and it will be stipulated that the men filling them

REZONING
TUESDAY HEARING

NORTH READING--The sub-committee of the Planning Board which has been studying possible re-zoning of land along Main Street, will hold a public hearing on Tuesday, Nov. 22, at 8 p.m. in Flint Memorial Hall.

The hearing will concern the area from Lowell Road to the Andover line. A prior hearing, concerning the section of Route #28 from the Reading line to Lowell Road was poorly attended.

All abutters of the area concerning the Nov. 22 hearing have been notified and the general public is invited to attend.

TWO HEARINGS
THURSDAY

NORTH READING: Two public hearings, conducted by the Planning Board, will be held Thursday, December 1, in Flint Memorial Hall.

The first, at 9 p.m. will be on the petition of Earl R. Donle, 3 Tower Hill Road, for the approval of the completion of Country Club Road, lots 19 through 24K.

The second, at 9:30 p.m., will be on the petition of Buckham Realty Trust, Boxford, Mass. for the approval of the extension of Marshal St., 674 ft. southwesterly, Boxwood Rd., 489 ft. northwesterly from Marshal St. Extension, Timber Lane 232 ft. southeasterly from Marshal St. Extension and Hickory Lane Extension.

must be masters in their fields.

An Advisory Board will be set up to work in conjunction with the Building Commissioner, the Inspectors and the Board of Appeals. It will consist of five men one of which must be an attorney, one a structural engineer and one a registered architect. There will also be three associate members named to fill vacancies which may occur.

We're ready to give you the "look of the season" ... in a fashion-hairdo, interpreted to especially flatter you.

WIN 100 DOLLARS

The Monroe Fuel Company kicks off the 1960-61 heating season with a \$100 bonus for its friends.

We are proud to announce the addition of "Lucky 7" a new 3,500 gallon fuel oil truck. The addition of the new vehicle will enable Monroe Fuel Company to maintain its high quality of delivery and service to its growing number of friends.

On September 1st the mileage on the truck was blanked out. All you have to do to win the \$100 is to guess the number of miles driven by "Lucky 7" between the 1st of September and the 10th of December. Contest will close on the 6th of December.

Employees and relatives of Monroe Fuel Company are not eligible to enter. In case of a tie there will be a drawing to determine the winner.

Consolation prizes, including 100 gallons of oil, will be awarded.

North Reading CANDLE PIN CHATTER by Tania Wullemann

In the Sunday Neters Couples League, Mary Lawson, a beginner, rolled a very nice 84. Judy Leighton is bringing her average up every week. With all these new bowlers doing so well, looks like those on top will have to do better to stay there. The League had a turkey raffle, which included the turkey, all the fixin's AND a bottle of imported table wine. The lucky winner was Phil Hoyt. His brother Richard won the consolation prize. The top six men and six women are bowling a challenge match in Salem, N.H. Sunday at 2 p.m. How about joining the chapering section?

The Early Bird League had a casualty! One tear in a pair of pants. Richard Ward gratefully accepted a needle and thread from teammate Peg Maskell and finished the operation using 24 stitches. Operation successful? (Temporarily) Dot English won the turkey with all the extras, and Jean Standley won the consolation prize. The top ten girls of the league are rolling in Sandy's Bowladrome in Salem, N.H. November 17th and will come back victorious-the winning scores (we hope) to be published in the next issue.

Three big cheers for Bob Hunt of the YMCA PeeWee League with his outstanding 104. Bob is only ten years old and is the son of Kay and Bob Hunt of the N.R. Couples League.

Joe Cawlina, World Champion Candlepin Bowler for 1960 had a long chat with yrs. truly last Friday night. Because he is the champion, I thought he would be the logical person to ask concerning several questions which arise about bowling.

I asked Joe what his opinion was about the use of a foul line. He said very strongly, "Every new bowler should be taught the respect of the foul line FIRST! It is far better and easier to teach a bowler from the beginning correctly than to correct one who is set in his ways. I also think that the proprietors of candlepin alleys should enforce this rule much more than they do." He also claims that if a bowler could possibly warm up a string or two before bowling in a league, that their average would go up 2 to 3 points.

Joe is holding a 114 average in the Boston Suburban Leagues which is one of the few leagues that adhere to every bowling rule. Maybe that explains all the excellent bowlers in that league.

On the distaff side of the family, Barbara bowls a strong 94 average and is a lefty. She also is a stickler for observing the rules.

It took Joe about 15 years to become World Champion. He started bowling at about 14 years of age so maybe 15 years or so from now, one of the YMCA Teeners from North Reading will be right up there. Never can tell! Our Sunday Neters Couples League hopes to have Joe Cawlina down for the evening in the near future, and it certainly promises to be most enjoyable.

Dot Marceau of the Newcomers League bowled a strong 299 triple Tuesday night. She claimed that the socks (holy ones) she borrowed from her daughter brought her the luck. Gee, I know where there are a drawerful! Think it would help?

Many thanks for the nice writeup about my column in the Sunlite Newsletter put out by the Stoneham Sunlite Alleys. It was most flattering. Thanks again. Norm.

JOE CAWLINA, World Champion Candlepin Bowler, and Roger Wullemann, Jr. of North Reading, at the West Lynn Alleys, in Lynn. Joe gave young Roger quite a few bowling hints Friday night and improvement is already showing.

The Early Bird League's top ten girls came home victorious from their interstate challenge match at Sandy's Bowladrome in Salem, N.H. on Thursday. The two teams from the Early Birds took the total pinfall by 210 pins. Team A, consisting of the five top girls, was sparked to victory by Captain Ginny Stevens, and Marion Denning. The Hi Single of the game was rolled by Ginny Stevens with 127 and she also rolled the Hi Triple of 330. Honorable mention goes to Marion Denning with her triple of 310. On Team B, Captain Helen Baratz was the big gun with a 295 triple. All the girls did extremely well, especially where this was their first match with teams from other alleys. Scorekeeper for Team A was Seldon Ward. He was fired from his job as the team claimed he was a "Jonah." Team B hired him and Sully, you can be our good-luck charm any time, any place! Must mention the fact that the Coffee League girls were most congenial and loads of fun to bowl with. The return match is on Thursday, December 1st, 10:30 a.m. at the Wakefield Sunlite Alleys, and is eagerly looked forward to.

Orchids to Claire Murphy of the Newcomers League for her continued improvement in bowling. Understand she held her team up Tuesday with strikes and spares galore!

Heard that on Thursday night when the N.R. Couples League bowls in Stoneham, the famous Black Dust Twins were absent, much to the relief of Mabel Chase. Who are they? Why, proprietor Norm's pet black cats. We don't know tho, Mabel - the night one crossed the alley you were bowling on you rolled a nice 94, so they can't ALWAYS bring bad luck. Maybe one of the reasons Joe Callahan didn't show up on post-election Thursday

was that he was playing clutch football in Hyannis Port. Could be he was hoping to be appointed to the post of Ambassador to Bowladromia?

No wonder Muriel Quail of the Jets was all shook up the other night - and who wouldn't be after rolling a Bee-yu-ti-ful 130!!! She was actually starry-eyed!!! Congratulations Muriel, you well deserve it. Helen Bou-tiette was the winner of a nice plump turkey. Common questions that night at the alleys were "Where is Kay? Have you heard from Kay? Is Kay coming in?" Yes Kay Sortini, where were you? Your team sorely missed you.

Bill Wilkes wants to let the three top average bowlers of the N.R. Men's League to know he is back in the running and they'd better be on their toes. He aims to be right in there, too - and doesn't plan to waste any time in getting there. The three top men are: Ken Jones 105, Stet Hunt 104, Harry Hobby 104. The turkey roll-off was won by Messrs. Carrier, Beraudo, Jackson and Surrette. They all rolled at least 30 pins above their average.

Would like to acquaint you with the North Reading men who bowl in the VFW League in Stoneham. The Bombers, who are in first place, are Gus Ciano, Fred Carr, Herb Nadeau, Jack Rohner and Bill Hill. The Warriors, in last place (but not for long, they claim) have Whit Crawford, Bob Wilson, Dick Smedberg, George Gaw and Bill Peek. I imagine the bowling gremlins must have had Whit Crawford in their nasty little clutches for quite a spell as the league had all but a ticker tape parade for Whit when he finally got a mark!

John Warnock of the Sunday Neters Couples League is going steadily uphill with his average. Nice going, John. Joe Baratz is still holding a strong 105 average to put him at the head of the list. Following new members have joined the league, bringing the number of teams up to twelve. Welcome to Mae and Bill Mahar, Paul and Bonnie Skidmore, Frank and Dot DiStasio, George Holt and Joan Motowylak, and Dot and Bob Standley.

Many parents revived school day memories and found out just what Mary and Johnny are doing, or supposed to be doing, during the average school day at the High School Open House held Thursday evening from 8 to 10 p.m. Moms and Dads trekked from classroom to classroom, at ten-minute intervals, following their child's daily schedule. The only period omitted was the lunch period. It's a safe guess that this omission was regretted by many parents after the exercise received during the evening. However, coffee was available during study periods.

Approximately 500 parents attended.

The Hallowe'en UNICEF Drive, conducted by the children of the Town and sponsored by the local League of Women Voters, netted \$253.77, which is about \$50 more than collected last year. The League was most appreciative to the North Reading branch of the Middlesex County Bank, who counted the multitude of pennies, nickles, dimes, etc. for them!

Francis Pothier, 17-year-old son of Mr. and Mrs. Joseph Pothier of 127 Main Street, entered the U. S. Army about three weeks ago and is now stationed at Ft. Benning, Georgia for his basic training.

The YMCA annual football dance to be held at the Hillview country club Thanksgiving night, Nov. 24, promises a festive evening for North Reading teenagers. This dress-up affair is for YMCA members and their guests.

The Jr. Pilgrim Fellowship of the Union Congregational Church will sponsor Old Time Movies at the old hall of the Church on Friday, Nov. 25 from 10-12 a.m., and then again from 2-4 p.m. There will be a door prize and refreshments.

Did you know...that one of the most (if not The most) powerful departments of our local government is the Board of Health. This Board is empowered to enter a house without a search warrant if they feel a health menace exists within. Even the Police don't have this power!

St. Theresa's CYO is now organizing a basketball team. The boys got off to a pretty good start last year and expect to have an even bigger season this year. All boys who are members of the CYO are eligible.

On November 19 James P. Curtin, son of Mr. and Mrs. Philip J. Curtin of Stewart Road, joined the Sea Bees in California as a construction apprentice. He has been enjoying a two week's leave at home following completion of basic training at the Great Lakes Naval Station.

The next meeting of the Newcomers Club will be a Silver Tea on December 8 at the North Street School. Those planning to attend are requested to contact Mrs. Wayne Shannon concerning the Christmas exchange gifts. The bride doll drawing will take place at the Tea. This beautiful doll, complete with hand sewn trousseau made by Club members, will be on display November 17 and 18 at the Atlantic Food Mart; November 26 at the IGA Store and November 26 at Strebor's.

Ticket returns on the bride doll may be made to Mrs. Dotty Knight or Mrs. Judy Fazioli.

The North Reading Garden Club's annual Christmas Bazaar will be held November 25 and 26 at Jones Bros. Store. The bazaar will feature many beautiful handmade decorative Christmas articles.

The Women of the Moose will hold their second annual anniversary banquet on Sunday November 27 at the Moose Lodge Home. A limited amount of tickets will be available from members.

With the Hornets about to face probably their most formidable opponent of the season in the Thanksgiving Day gridiron battle with Lynnfield, tension runs high. The battle between the two undefeated teams promises to be the sports highlight of the season.

Touchdown King Bill Cotter now ranks second in the state in points scored. His total of 134 is only 10 points short of that of the state's leader!

This is written in the sincere hope that the prankster who is stealing bulbs from the light poles on Concord Street will read it and realize what a dangerous game he is playing. The wires on the light poles are of very heavy voltage, capable of electrocuting one who comes in contact with them.

On Wednesday Officer Owens rushed the Petti baby, child of Mr. and Mrs. Leo Petti, 174 Haverhill St., to Winchester Hospital. The baby was believed to be suffering from pneumonia.

The question was asked this correspondent recently as to whether the Martin's Pond section of Town was really a part of the Town. It seems a question arose about a year ago on that score. Fortunately, it was merely because of a mistake made by someone in faraway Washington, and that section most certainly does belong to the Town of North Reading!

Let's all pause on Thursday before we eat the traditional turkey to remember that this is a day of 'Thanks Giving.' Hope you all have a wonderful holiday.

Our local gens d'armes might have done a 'finger-in-the-dike' bit on the night of the 17th. First, while doing a routine check on the Moose Lodge, a leak in the water tower was discovered. On the same night John Brunetta, 12 Pleasant St. reported a leak in the water pipe between his house and the street. Of course the Water Department was notified in both instances!

SHORT CIRCUITS

in WILMINGTON

by **BETTY DOWNS**
OL 8-2907

To begin with this week, I would like to wish a Happy Thanksgiving to several of my more faithful 'contributors', including: Mrs. Fairfield of the Boosters; Nancy Shulman of the Hebrew Community Center; Chief Arthur Boudreau of the Fire Dept.; Florence Ellis of the VFW Auxiliary; Evangeline Murray of Laurel Ave., who is a goldmine of general information; Father Berube and Dorothy Shelley of St. Thomas; Mrs. Baldwin of St. Dorothy's and The Silver Lake Betterment, and Helen Bryant of the Order of the Eastern Star.

Also included on this list should be: Police Officers Kelley and Ellsworth; Jimmy Simpson of the DAV; Bea Blanchette of the Women's Town Bowling League; Anna Visconte of the Democratic Town Committee; Ruth Kitchener of the Republican Town Committee; Rose Zwickler of the American Legion Auxiliary; Superintendent of Schools Harold Shea; and Town Manager Cecil Lancaster both of whom have always been very cooperative; Betty Saulnier of Roman Way who seems to know most of the new babies in town; Doris Mans of the DAV Auxiliary; Mr. Stevens of the Baldwin Civic League; Chris Weinberg who never missed reporting all last winter for the Skating Club; The Hastings' and the Wauchs of Little League; Carter White of the Odd Fellows; Jimmy Mann of the Forest St. Congregational Church; Gene Sullivan and Walter Collins of the American Legion and my beautiful, 'Peg' Capibianco.

Tony DeLuca of the Lions Club; Cicily Spirits of the Episcopal Women; Mrs. Burke of Forest St., who, as a typical good neighbor, knows the anniversaries and birthdays of her friends; Ed Shelley of St. Thomas Holy Name Society; Laura Morrison of the N.A.R.C.E.; the gentleman whose name I did not catch, publicity man for the Wilmington Knights of Columbus, and my ever-faithful sister-in-law, Geneva Morrison, who does not allow a pin to drop in her neighborhood (if it is a news-worthy pin!) without informing me.

There are many others too numerous to mention here, who have made 'time-to-time' contributions to my efforts, they too are included in my wish for a happy holiday.

Mr. and Mrs. Daniel B. Burris, Jr. of Main St. are happy to announce the arrival of their son, Daniel B. 3rd, who arrived at Winchester Hospital on November 18. The couple have two older children, Lary and Donna. Here's one for the book - the newcomer tipped the scale at eleven pounds five ounces! He is almost as big as his father.

Grandparent honors are being shared by Mr. and Mrs. Robert Cavanaugh of Bay State Road, Tewksbury and Mr. and Mrs. Daniel Burris, Sr. of Main Street.

Cub Scout Pack 56 is being revitalized under the sponsorship of the Congregational Church. Volunteer helpers are being solicited. Interested men, women and boys should contact Ralph Green at OL 8-2568.

From observations during my travels around town, it would seem that members of both the Democratic and Republican Town Committees have lived up to their promises to remove political signs following elections.

Mr. and Mrs. Robert Ahern of Wildwood St. were the surprised guests of honor at a twentieth wedding anniversary celebration held on November 16 at the home of Mr. and Mrs. James McCue on Burlington Avenue.

Among the many lovely gifts presented to the celebrated couple were a Boston Rocker, a coo coo clock, and a money bouquet.

Members of the Order of the Eastern Star held their turkey whist on Thursday evening, November 17 with the following people being among the top prize winners: Taking home turkeys were Ruby Bruno of Tewksbury; Martha Danico of Belview Ave; and Howard Collins of Tewksbury. The door prize, a cornucopia filled with flowers, was awarded to Laura Collins, also of Tewksbury.

If you missed the Congregational Church Fair, you passed up a gala event, even though the date conflicted with St. Thomas' Bazaar. I managed both of them! Each offered us an afternoon of intriguing entertainment.

I didn't really forget you George! -- Just trying to make you think I might. Happy Thanksgiving!

Wednesday evening the High School Boosters will conduct their torchlight parade. Students are requested to meet at the school at 6:30. They will make the circuit around the town and return for their annual rally.

According to what is being said, those 'naughty boys' are at it again. Be sure and check your license plates to make certain that they match both in color and in numbers. Seems residents at State Prison are playing games with them!

Mr. and Mrs. Robert Hughson of Laurel Ave. are proud to announce the arrival of their son, Steven Walter, who was born at Winchester Hospital on Saturday, November 12. The couple have two older children, Kathy and Bobby.

Grandparent honors are being shared by Mr. and Mrs. 'Billy' Murray of Laurel Ave. and Mrs. Walter Hughson of Merrimac. Great-grandparents are Mr. and Mrs. Harold Smith of Laurel Ave. and Mrs. Charles Murray of Butters Row.

Presidents of civic organizations still have time to contact members of the Building By-law Committee. That group is ready and willing to appear before any organization to explain their new building code which will be introduced for your approval at the upcoming town meeting. For further information, call Raymond Fitzmaurice, Garnet Mills, or Roland Wood.

Happy to see Mr. Merritt of Ayotte Street 'out and about' again -- says he is feeling fine now following his operation and would like to thank all those who were so kind to him and Mrs. Merritt during his confinement.

Boy, that was quick! On Monday evening, selectmen received a letter from a citizen complaining about the traffic lights at Perry's Corner (they were left blinking making exiting from Woburn Street virtually impossible at times) and on Tuesday evening I noticed they were back on standard operation.

Congratulations -- Frederick Orne of Beverly Ave. recently received an award from the Watkins Company signifying that he is the 'Super Watkins Salesman' in this area.

Seems as though while I was attempting to pat Mrs. Drew and Mr. Black on the back last week for taking part in Veterans' Day exercises, I unwittingly injured the feelings of at least one other member of the Board of Selectmen. Mr. DeFelice was unable to take part in the exercises here as he had been invited to be guest speaker at the ceremonies in Wakefield.

CASE NO. 14307 -S

(SEAL) 22159

Upon the petition of the Boston Edison Company, a duly existing corporation having a usual place of business in Boston in the County of Suffolk and said Commonwealth, representing that it is the holder of an order of taking executed by said Company on September 26, 1960 covering land in Wilmington in the County of Middlesex and said Commonwealth, authorized by a decree of the Department of Public Utilities registered as Document No. 33268, noted on Certificates of Title Nos. 5300 and 11247 issued from the Middlesex North Registry District and praying that said certificates be cancelled and a new certificate be issued to it, therefore, it is

ORDERED that the Recorder give notice of this petition forthwith by sending by registered mail a copy of this order to Leo E. VanSteenburg, Dolly VanSteenburg, Samuel E. Pica and Ida L. Pica, of said Wilmington, and the Esplanade Realty Co., Inc., a duly existing corporation having a usual place of business in Boston in the County of Suffolk and said Commonwealth; and if you desire to make any objection or defense to said petition, you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition in the office of the Recorder of said County in Boston (at the Court House) on or before the twelfth day of December next, and it is

FURTHER ORDERED that notice be given to Margaret M. Daly, or her heirs, devisees, or legal representatives, by publishing a copy of this order, once each week for three successive weeks in the Wilmington Crusader.

Unless an appearance is so filed by or for you, the said petition will be taken as confessed and you be forever barred from contesting said petition or any decree or orders as the Court may make.

By the Court.

Commander Ernest H. Burt, Jr., USCG, presided over the examination which was conducted by Training Officer Shepperd A. Lesser, Sr., of Hub Division 5, USCGA, at the Registry of Motor Vehicles.

Officer Lesser reported that the veteran boatmen like Director Wilton Vaughn, Lt. Commander George F. Stewart, USCGR, Captain Joseph T. O'Brien, USAR, James A. Croteau, Jr., USCGR, Edward C. Carroll, USNR, and George F. McInerney, former Special Assistant to the Attorney General, Anti-trust Division, Department of Justice, were among the contestants to score 100% in the Coast Guard Auxiliary test.

Among the women employees of the Division who scored 100% was Marion Dillon, Secretary to the Director.

The course consisted of eight lessons in basic seamanship, which was recommended by Congress and conducted under the auspices of the U.S. Coast Guard. The course was free.

The Board of Selectmen executed the deed and agreement as to the maintenance of the railroad station with the title passing to the town at its Monday night meeting.

The property including the depot, buildings and some three acres of land were acquired for the sum of \$1,500 by vote of town meeting.

Earlier the selectmen had met with the Board of Public Works relevant to snow and ice clearance at the depot and parking areas with the latter board consenting unanimously.

The selectmen also voted to meet next Monday night with the four firms presently utilizing space on the property.

There is a considerable file of applicants who have requested consideration in future plans for the depot.

A special town meeting has been scheduled for Nov. 28 to settle an out-of-court claim involving a 4 car crash that occurred in September 1957 on Route 128. The proposed settlement would award Mrs. Sadie A. Clark of Portland \$7500 and Mrs. Marjorie Wiles Masi of North Reading \$1500, according to Town Counsel Warren Killiam, Jr.

Five other articles deal with funds needed for the election and registration assistance, medical assistance to the aged, highway main-

tenance and operation salaries, and sewer house connection expenses.

Junior and senior 'high honor' students at Reading Memorial High School will be excused from attending classes at their own discretion when they feel they can use the time to better advantage. The 12 pupils who come under this new policy that went into effect last week, must keep up with all tests and homework assignments, and report to home rooms each morning.

All honor roll students will be allowed to study outside of the supervised study halls and visit in student lounging areas, and leave the building, but not the grounds.

High honor students must earn at least three A's and no grade below a B. Honor roll students must have a minimum of four B's and no grade lower than a C.

The new policy was created by Ara Karakashian former guidance director and principal since August 1960.

Police are probing three house breaks, all of which occurred within two hours last Monday afternoon in which some \$150 in cash and other items were stolen.

Two of the homes had been ransacked and chairs placed under door knobs.

The first report came from Mrs. Herbert White, 87 Cross Street, where \$83 was missing.

Mrs. Mary Merritt, 20 John Street, reported her apartment ransacked and the theft of some \$67.40 in bills and rolled coin along with a wrist watch.

The apartment above occupied by firefighter Wilfred Boudreau had been entered with \$50 and a transistor radio had been stolen.

The first concert of the Reading Symphony will be held November 26 at 8:30 p.m. at the Reading Memorial High School auditorium.

Miss Massachusetts, Miss Brenda Crovo, will be the guest soloist.

Weston Brennen will be the conductor.

Rev. and Mrs. Bruno J. Visco, 211 Summer Avenue, held an open house at their new parsonage, last Sunday from 4 to 6 p.m. Rev. Visco is the minister at the Unitarian Church.

Mrs. John Marshall of Wilmington and Mrs. Herbert Roome of Reading were pourers.

The Saturday afternoon Basketball League for boys in grades 4 through 7 will begin November 26 from 1 to 4 p.m. at Reading Memorial High School.

The program is under the direction of the Reading YMCA.

Mrs. Barbara E. Winkler has been named by the Reading School Committee as the fifth member of the committee to study the long range needs of the Reading Public Library.

Previously appointed by Town Moderator Kenneth C. Latham in accordance with the directions issued by the special town meeting, October 24, were Richard J. Sullivan, temporary chairman, Allison W. Phinney and Mrs. Marjorie Nicholas.

C. Nelson Bishop is the

representative to the committee from the Board of Library trustees.

The date December 15, has been set for the completion of the new Arthur W. Coolidge Junior High School by the contracting firm. Chairman of the Building Committee Lawrence A. Partelow indicated the building would be ready for occupancy sometime in January.

The new book list at the Reading Public Library has been completed and is available at the main reading room desk for patrons. Well over 200 books have been added to the library's collection during the month of October.

Mrs. Herbert Robertson, 11 Forest Glen Road, was hospitalized in Winchester last week. She is the wife of the Reading Fire Captain.

Ideas for the holidays were presented to the Junior Women's Club at its last monthly meeting held at the Unitarian Church.

Mrs. Francis Walsh pre-

sided in the absence of the president Mrs. John Curtis.

The problems of a newly cured mental patient were under discussion at the meeting of the Eastern Middlesex Mental Health Association conducted at the Reading Community Center. The panel discussion was moderated by Rev. Richard Harding of Wilmington.

Post Office Clerk John E. Sias has been promoted to the newly created post of foreman of mail at the local post office.

Mr. Sias has been employed by the local branch for 29 years in various capacities.

Postmaster James F. Desmond made the recommendation to the regional operations director of the Post Office Department.

Levy, ordinarily in charge of the Canteen, has been ill with pneumonia, and David Castine filled in for him Saturday night. Mrs. Leslie Smith and Mrs. Philip Sewall checked the youngsters in and Mr. Sewall acted as chaperone. Mr. and Mrs. Wyatt Ingalls represented the Grange and served refreshments.

The group was entertained by two musical groups from Winchester, introduced by Philip Hoyt, and George Denihan acted as disc jockey and vocalist with one of the musical groups.

Attendance at the Saturday morning YMCA gym class is excellent. Last Saturday Mr. Harold Phillips filled in for Mr. Levy, who has been ill. Miss Barbara Kinney conducts the girls' gym classes.

Plans are well underway for the Thanksgiving dance, sponsored by the YMCA for high schoolers, to be held at the Hillview Country Club on November 24. The dance will be semi-formal,

meaning suits or sport young men, and party dress-jackets and ties for the es and nylons for the girls.

The Tewksbury Center PTA will sponsor a twelve week dancing course for the Junior High School. This course which was so successful last year is being repeated. Lessons will be given on Friday after school by a most capable teacher. Transportation must be provided for by the parents. Mothers who are interested in aiding will please contact Mrs. Marie Prescott UL1-2425 or Mrs. Joseph Korovos at GL4-0693. Chaperones are being solicited and will be most welcomed by the committee on any Friday afternoon that they might be able to give assistance.

An open meeting for the young men of the town was held on Tuesday evening at Town Hall. The boys turned out in numbers to show their interest in the proposed chapter of the Jaycees. All were told the purpose of the organization by representatives from Billerica. Age limit for this group is 21, (God Bless them) to 35 years. Your reporter with her photographer Sam Wilkie had the honor of sitting in on this meeting for a little while, and both went away with the feeling that America is o.k. if this is the caliber of young men that will some day hold the reins. As the two candidates for president recently proved, you don't have to be ancient to have an idea, and these fellows only emphasized the thought. It is truly a young peoples country. I hope none of my older readers will take offense--don't--it will date you!

While at Town Hall, I visited the League of Women Voters meeting which was also scheduled on Tuesday night. Surprising that there was such poor representation, more are needed, from all over town, to assure success.

At the Tewksbury Selectmen's weekly meeting Mrs. Peggy Stetson was granted the use of the Town Hall once a week for The Mariners, of which she is the leader.

Mr. Leo Trudell and partner were requested by the Board to post a \$20,000.00 performance bond. Mr. Trudell felt that a \$5,000 cash bond from each would be more than adequate. This concerns the sale of gravel to the State for the new Route #195 highway. Neither the Board nor the parties concerned came to any mutual agreement. The owners were granted a special hearing on Tuesday, Nov. 22 at 8:30 p.m.

Mr. John Jaskolka of Longmeadow Road requested to buy town owned land. He was referred to Tax Collector Bill O'Neill and Board to establish price--advertise for 14 days, then to be sold at auction.

An application from Anna Stillwell for a package store was placed on file.

Hearing on Nov. 22 at 9 p.m. to be held on storage of dynamite at Andover and Trull Roads on Commonwealth of Massachusetts owned land.

A taxi license was granted to Helen Murphy, who???

A gunsmith license was granted to Harold Strand of 17 Crawford Drive for gun repair as a hobby only.

A license was granted to Mr. Walter Finethy of Main Street, one bowling machine.

Applications from Hinton for class 2 license to be renewed--granted.

Accepted minutes from both previous meetings.

Plans are all in order for the Annual High School Queen's Dance to be held at Town Hall on Friday night, November 25, sponsored by the Tewksbury Men's Club with all proceeds going to the scholarship fund. Ray Kelleher and Bob Allen are co-chairmen. Tickets are 75 cents and will serve as ballots for the favorite cheer leader to be selected as a result of the tabulation, the most popular cheer leader will be picked. Judges are Frank Kavanaugh, John Bowen, Charles Bird, Frank Flanagan, and Bill O'Connell, all of the faculty. A gift certificate of \$75 is top prize and is being donated by a Lowell business man. This dance, which honors the cheer leaders and the most valuable Tewksbury player in the Wilmington-Tewksbury game played on Thanksgiving day, is to be played at Wilmington this year. The dinner-dance, also sponsored by the Men's Club, will be held on Saturday, December 17 at the High School cafeteria in honor of the football team. Awards will be presented in the form of jackets for the seniors and sweaters to the cheer leaders. Reservations should be made early as there is a limit of 300. Tickets, priced at \$2.50, may be obtained from President Fred Penino at UL 1-7612.

May I wish the entire staff of the CRUSADER, my readers and my friends, all a very Happy Thanksgiving. As I wrote that past line I was doing a bit of day dreaming along with the typing. Thanksgiving -- or give thanks -- some diehards will surely say 'for what?'. My version -- well recently, the right to go into a booth and vote as a free woman -- without fear -- freedom, I guess is the word. Thanks for just having the chance to compete in this world of ours...to put down on paper the way I think...to have an editor who has faith enough in my judgment to print it...for that life partner who is always at my side when the whole world seems 'agin' me...the kiddoes -- 6 -- three boys, three girls I've been blessed with -- who have made me laugh, and on occasion, cry --- but above all, made the marriage to the boy next door seem so right. Thanks, I, r among my friends I have clergy -- Rev. Jim and Rev. Jerry of my own faith; Fr. John and Rev. Howard of another -- learned men. People who I hold dear -- Margaret, who so often calls and admires a certain article I wrote and gives me the pat on the back (which we all need) -- the girls in my club; when the chips are down and you find out they are all backing you on something worthwhile which you are trying to do; for having the stamina and strength and sometimes courage to stand up in my Town Affairs and take a stand -- to get involved in politics and to be able to disagree, especially with one of our advertisers, but still pick up the paper

Turkey Whist

TEWKSBURY -- The VFW Post 8164, Tewksbury will conduct the annual Thanksgiving turkey whist on Monday Nov. 21, at 8 p.m., at the town hall in Tewksbury. This affair is being held again this year because of the grand turnout by patrons at last year's whist party.

Promising to be one of the most exciting turkey whist parties in the area, scores of valuable prizes, together with a large segment of turkeys, will grace the tables. Both an attendance drawing and a grand door prize will be awarded to the lucky winners. A very nominal price of admission will include refreshments for everyone.

The evening's festivities will be topped off by a grand drawing and the winner does not have to be present to be awarded the handsome prize. Tickets are currently in circulation and may be procured from members of the VFW. First prize will be a case of liquor or \$40 in cash; second prize, an 18-lb. turkey; and third prize, a complete chicken dinner basket.

This affair is open to the general public and the whist party commences at 8 p.m. All proceeds from this affair will be utilized for the VFW Christmas Aid program, one of the many community services promoted by the Tewksbury VFW organization. Support of this program will entitle all patrons to a grand evening of entertainment and wonderful prizes and an opportunity to help make Christmas complete for many less fortunate people.
